

EXTRAORDINARY PRODUCTIONS MADE THE LIST!

We are proud to announce that Extraordinary Productions has been invited to the prestigious Platinum List of Grace Ormond wedding style magazine!

A list, which by invitation only accredits and profiles the worlds most premium wedding businesses. Extraordinary Productions, is being recognized for it's Signature Table Top & Floral Designs, which caught the attention of Grace Ormond herself, and the editor.

We are honored by such acknowledgement, and are so excited by the significance and recognition that comes along with receiving such an industry award. We are so proud to be acknowledged as the "BEST of the BEST."

We will wear our Platinum badge with pride on our new website to be launched later this fall, as well as on our Facebook page.
